Houston**

## Join Family Houston's Visionary Circle

**We are here for them. We are Houston's family.**

*Our Visionary Circle donors are also Houston's family. Each day, these committed donors help individuals meet basic needs, develop personal strengths, and achieve dreams.*

## About Family Houston

At Family Houston, we help children, adults, and families who are facing crisis. Some cannot afford food. Others are grappling with trauma. And still others are overwhelmed by financial burdens. Last year, more than 6,500 individuals worked with Family Houston to address basic needs, mental health, or financial strength.

**Mission** *To create a stronger community for tomorrow by helping individuals and families meet the challenges they face today.* **Vision** *To be Houston's premier resource that uses a holistic approach to help people empower themselves, stabilize their lives, and sustain lasting improvement.*

## Family Houston Programs

### Basic Needs | Case Management

Helping individuals and families access food, medical, and housing resources.

42% of Houstonians struggle to make ends meet

### Mental Health | Counseling

Providing free and low-cost counseling to children, adolescents, adults, and families

1 in 3 children suffer from a mental health disorder

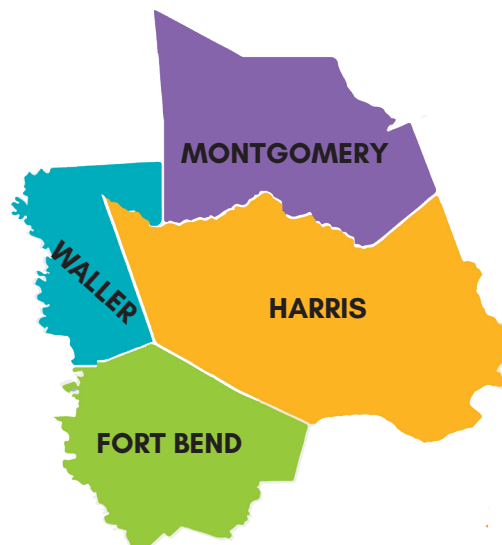

### Financial Strength | Coaching

Offering one-on-one financial and employment coaching

40% of Harris County residents do not have \$400 in savings to withstand an emergency

## Family Houston Service Areas

ALICE | Houston Endowment Fund | Kinder Institute

## The Visionary Circle

Become part of Family Houston's Visionary Circle and create a stronger community for tomorrow by helping individuals and families meet the challenges they face today.

# We have big goals this year. You can help us achieve them!

### Basic Needs | Case Management

When a person's basic needs are met, they can focus on bigger steps in their life and move toward greater goals.

This year we will help nearly **1,600 households** meet their basic needs through Case Management.

### Mental Health | Counseling

When individuals cope with trauma, depression, or anxiety, they lift up themselves and those around them.

This year we will help more than **3,800 children and adults** address emotional and behavioral challenges through Counseling and Parent Education.

### Financial Strength | Coaching

When people make strong financial plans and connect with good-paying jobs, they move themselves and their families toward more promising futures.

This year we will help more than **2,000 households** make steps toward their financial goals through Financial and Employment Coaching.
